Class of 2018

What the Students Say

"Learn how to learn"

"You care about what you are learning."

"Confidence builder"

"Fun studying - not alone but with peers in the same boat as you"

"There is a learning curve."

"Is time for friends, is time for other things"

"It's a program, not individual classes."

"Sense of community: classmates, teachers, ancestors"

"Not just a humanities program"

"Different way of thinking"

"Teaches responsibility of an adult in high school (not college wakeup call)"

"All assignments are, at first, scary but they are doable; you are taught how."
